12) The qualifications taken into consideration by the
Municipal Commissioner for the selection of the candidates are
those which are absolutely of no use for the work for which the
candidate is selected

13) The qualifications that are required are for the
technical work. The candidate is expected to undergo training
in Chemistry with the Qualification of B Sc , a recently passed
candidate should be preferred to a candidate who passed his
B Sc , six years ago and who perhaps has forgotten all his
Chemistry in his profession as Tax Inspector

14) Mr Thepperumal was a Sanitary Inspector in the
Cities and Rural Health Units and has had a very good record
as a Sanitary Inspector and has passed in B Sc , this year
with Chemistry as his Optionals

15) Under these circumstances, I am of opinion that of
the two candidates Mr Thepperumal is the better of the two
for the reasons mentioned above and is recommended for the post

Re: Appointment of Mr. Govindappa, B.Sc.

Adverting to letter No. C 110/ 7-1 dated 1-11-1947 of the Municipal Commissioner, Mysore, in relation to you on the above subject and also to the fact that, I have the honour to inform you that in the interim Mr. Govindappa, B.Sc., is not qualified for the post of Food Analyst. This work is of a technical nature and requires a specialist. Further a Food Analyst will have to give evidence in the capacity of a specialist to give evidence in court. It is not likely that Mr. Govindappa's qualification will be accepted by Courts of Law.

Further it is over six years since he has not done with Science or Scientific work and hence he is not a Clerk.

Passing Revenue Department has no technical criterion for the eligibility of candidates for the post. It is the knowledge of the subject in the recent past and further training that counts. It is to be expected that applications from candidates with necessary qualifications

acting Food Analyst on Rs 100-5-150

SIR,

In reply to your letter No L 12262 dated 3-1-1948 on the above subject, I have the honour to state that the vacancy in question was not advertised through the Public Service Commissioner on the ground that the Municipal Council at their meeting held on 28-11-1947 decided the question of appointing Mr K V Govindappa, B Sc, temporarily as Food Analyst in place of Mr A Kulasekhara Mudaliar who was appointed as Market Superintendent provisionally for six months. The consequential vacancy of Profession Tax Inspector released thereby is being advertised through Public Service Commissioner as per rules. It may be stated in this connection that the Director of Public Health in Mysore, Bangalore forwarded the application of one A Thepperumal, B Sc, Sanitary Inspector in the Department of Public Health. This application also was placed before the Municipal Council at the time of the decision. But the Council decided in favour of Mr K V Govindappa who was equally qualified - he being a Science Graduate with Physics, Chemistry and Mathematics. The qualifications of both the candidates are noted in the margin.

2 There are no doubt senior officials in this Municipality to Mr K V Govindappa (for instance some Sanitary Inspectors etc ,) but none of them are Science Graduates, and the Sanitary Inspector's

training was not considered sufficient or requisite for the Food Analyst's post. In view of the fact that Mr. F.V. Govindappa was a Science Graduate, he was duly selected in consideration of the fact that he would pick up the work within a short time just as his predecessor Mr. A. Kulasakhara Modaliar had done.

3. In the circumstances cited above, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council in the matter of appointing Mr. Govindappa as Food Analyst temporarily.

I have the honour to be,
